

HIGHLAND PARK STANDING COMMITTEES FOR WEBSITE

Architectural Control Committee

Members of the Architectural Control Committee process and then approve or disapprove requests from homeowners regarding improvements upon their lot. The committee is a standing committee consisting of three to five volunteer members.

Social and Welcome Committee

Members of the Social and Welcome Committee organize and prepare the Association's annual social events. Events such as the Summer Picnic and the Holiday Walk are just a couple of examples. The committee also welcomes new homeowners upon moving into the neighborhood and provides gift baskets and general information for these individuals. The committee is a standing committee consisting of three to five volunteer members.

Landscape and Maintenance Committee

Members of the Landscape and Maintenance Committee oversee the maintenance and upkeep of the common areas of the neighborhood. The committee is a standing committee consisting of three to five volunteer members.

Community and Governmental Affairs Committee

Members of the Community and Governmental Affairs Committee act as a watchdog for the neighborhood staying abreast of any issues that might affect the well-being of the community as a whole. The committee is a standing committee consisting of three to five volunteer members.
